

# LABC Prayer and Praise Report

Name	Date	Hospital
Kirstyn Dickey	12-13-18	Daughter of David and Natalie Dickey. Cook's Children's Medical center. Admitted on 12/9 for respiratory issues. Doctors have scoped her lungs yesterday and suctioned out her sinuses and took samples for testing. Please pray for wisdom for the doctors for treatment plan and for healing of her lungs.
Gary Logan	12-13-18	Brother of Diana Noffsinger. In ICU with Extremely low blood pressure, and abscess near his liver and an infection in his gall bladder. They cannot get him stabilized and he still has to have dialysis. Please pray for the doctors to have wisdom and God would heal his body.
Peggy Heim	12-5-18	Husband is John Heim. Member of Ladies' Overcomer's CG. Transferred to Arlington Memorial's On Pointe Transitional Care on 6 <sup>th</sup> floor. Has made some good progress. Please continue to pray for healing of her brain, return of strength to arms and legs, and ability to talk clearly. Pray for husband John as he continues to support and be by her side.
Mylah Harp	12-11-18	16-month old niece of one of our visitors. Stopped breathing Nov 12 <sup>th</sup> and went into a coma. Drs planning for extubation today to create clear passageway for her throat secretions. Concerns about swelling in her trachea. Please pray for this sweet little girl for every detail regarding today's procedure. Parents, Brittany and Nick, are putting all their trust in God's love and care for baby Mylah. Pray asking God for mercy and healing in Mylah's brain. Pray for mom and dad.
Liz Chow	11-12-18	Friend of Janis Matthews has been diagnosed with a subarachnoid hemorrhage and had surgery on her brain Friday Nov 9. She is 30 years old and could possibly have long term effects from this. Please pray for relief from pain and healing
Bo Hamilton	11-28-18	Wife Jo, Crysel CG. MCA Rehab floor rm 508. Surgery last week to remove bone spur in neck went well. Still unable to use legs and arms. Swallowing is a challenge. Please pray for God to heal his spinal cord, give strength and movement to arms and legs and ability to swallow be restored. Pray for wife Jo that God will grace her with peace and ability to wait on God's timing.
Barbara Stidman	12-5-18	Encompass Rehab Center. Recovering from back surgery. Returned from hospital to manage liver enzyme levels. Had a bone biopsy for testing. Pray for Barbara, that the Lord will bless her mind with peace and confidence, her body with strength and her back with healing, all to wall well and in joy.

Name	Date	Scheduled Surgeries

	Date	Continued Prayer
Ann Littleton	12-13-18	Sister of Judy Drury. BOB CG. Had a procedure on her liver recently and has not felt well since. Pray for healing and doctors to determine a cause.
Stacy Feely	12-12-18	Husband is Brian. Gall Bladder surgery was successful and is home now recovering. Pray for healing from the surgery and against infection.
Charles Armitage	12-11-18	Wife is Michelle, Kingdom First CG. Home from the hospital. Had major back surgery on 12/8. Pray that his body will adjust to the changes brought about by the surgery. Pray that the pain will be managed well. Pray for healing for his back from the surgery and rehab will go well.
Michael Derrick Bevill	12-10-18	Nephew of Mike & Gwen Bevill. 38-year-old with wife and young daughter. No cancer found but a rare disorder called sarcoidosis in his lung. His doctor is looking for a way to treat it. There is no cure, but it can go into remission. Please pray for wisdom for the doctor and the treatment will put it in remission.
Bette Winters	12-5-18	Home from AMH with congestive heart failure. Doing better. Please pray for God's blessing for all the fluid to be gone and her body and heart strengthened, her mind with peace and

		hope.
Mike & Pam Braudaway	12-5-18	USMD Gastric Sleeve surgery. Home and recovering from gastric sleeve surgery. Improving. Pray for their bodies to heal and complete recovery.
Maurice Pemberton	11-29-18	Wife is Valerie, Brewer-Vestal CG. Had a liver biopsy today. Lymph glands extremely swollen in one leg. Pray for comfort and healing and wisdom for the doctors.
Bobbie Reeves	11-28-18	Sr Adult CG. Lymphoma patient. Lesions found in chest; Kidney cancer confirmed, requiring removal of kidney in the future. Abdominal aneurism requiring treatment but is dealing with upper respiratory infection and that must be dealt with before any surgery is scheduled. Please ask the Lord to remove the infection, strengthen her lungs, and bless doctors with wisdom on when surgeries should take place.
Isla McCullough	11-20-18	9-month-old baby with DiGeorge syndrome. The family packed up and has begun the moving process to Houston. Please pray for traveling safety
Gary Mason	12-12-18	Wife is Pam, One Accord CG. Saw Orthopedic doctor today. Believe there is an issue with the hip. He gave Gary a cortisone shot today in the hip. Will see doctor again on 12/19 for follow up.
Jarrold Parker	12-4-18	Wife is Amanda, Armory CG. Has been diagnosed with an aggressive Stage 3 prostate cancer. Is doing well. Traveled to MD Anderson today for bloodwork and hormone therapy shot. Pray for safe travel home and for the meds to be effective.
Joe Williams	12-11-18	Wife Thelma, Sr. Adult CG-Neck has improved greatly. Continues treatments for the Multityloma condition. Over all doing much better. Please continue praying for God's blessing for healing from both conditions.
Penny Venegas	10-25-18	Husband is Art, Journey CG. Has begun a new experimental treatment for her condition. Please continue to pray for healing
Melinda Weber	8-15-18	Daughter of Ron & Linda Owens (members of Seeker's CG), husband Russ, former missionaries to Asia. Please continue to pray for complete healing.

	Date	Births
Lucy	12-12-18	Adopted daughter of Eric and Laura Herrstrom. Born Thursday 12/6.

	Date	Deaths
Valerie Reed	12-4-18	Twin Sister of Jennifer Curtis passed away unexpectedly today in Florida. Services are pending. Please be in prayer for the family during this difficult time.
